

Non-Examined Assessment (NEAs) / Coursework A Guide for Students and Parents Academic Year 2024-25

Non-Examined Assessments (NEAs) commonly referred to as “Coursework” is defined as any piece of student work which contributes to the final grade of a qualification.

All students must meet the coursework deadlines set and published by the relevant Curriculum Department or Awarding Organisation. BHASVIC reserves the right to alter these deadlines during the course of the year. This should happen only on rare occasions and, if it does, students will be notified of the new deadline by their teacher or the Head of Department.

Students who have to prepare coursework should do so by the required date. Failure to meet published deadlines may have serious consequences for students remaining on that course or gaining the qualification. Students’ coursework will usually not be marked or processed by the College if it is submitted late, except where this is due to Special Considerations. Unmarked coursework will usually mean failure of that component of the course but, where possible, an earlier seen and assessed draft of coursework will be treated as final submission. Official evidence of Special Considerations will need to be provided (for example, a medical certificate from a doctor for illness), otherwise the college would be in breach of JCQ statutory guidelines on the conduct of assessment.

BTEC Coursework regulations follow a nationally agreed system: Students will be given one submission opportunity for each assessment. In the event the student does not achieve the set criteria it will be the decision of the Lead Internal Verifier (LIV) to authorise a resubmission. Resubmission is only allowed if a student has met initial deadlines and the teacher judges that the candidate can improve their work without further guidance. If resubmission is approved by the LIV, the candidate will be given a maximum of 10 working days to improve and resubmit the work, but this may be shorter depending on deadlines set by the Awarding Organisation. If, after resubmission, the student still has not achieved the pass criteria, the Curriculum Department will review whether a new task or assignment should be given to the student. These tasks must be Internally Verified and agreed with the LIV for the subject area. In all such instances, the candidate should speak with their teacher or Head of Department.
