Moving On Day

Visual Arts Residential Trip

Year 1

Skills Week – early July 2025

Dear Parent/ Carer,

Running alongside the curriculum, BHASVIC aims to provide enriching trips linked to students' studies. These trips not only bring their studies to life but also encourage independence, an opportunity to make new friends, and have new experiences.

As part of the A Level Fine Art/ Graphic Design/ Photography and Textile Design courses we are hoping to run a 4-day residential trip in early July 2025. We have yet to decide on a destination for 2025 but we will be visiting a European city that students can immerse themselves in the culture, ambience and creativity on offer. We encourage students to take sketchbooks and cameras to record their experiences, which will feed into their A2 personal investigation. To give you a taster, this year we are taking a group of students to Berlin. The cost of this trip was £529 and includes:

Return flights to Berlin

3-night half board accommodation

Berlin transport pass

Entry fees to museums and galleries (Hamburg Bahnhof, Gropius Bau, Fine Arts Gallery, East Side Gallery)

If your young person is interested in joining the Visual Arts trip in 2025, you do not need to do anything at this stage. We will contact students/ parents & carers in the Autumn term with all the finalised details, but we are aware that finances are a concern for many at the moment, so we just wanted to let you know about this opportunity as far in advance as possible, so you have time to financially plan if you wish.

All payments for trips are through our BHASVIC Parent Pay account, you will be sent details on how to activate your account once your young person has enrolled, we do encourage you to set your account up as soon as possible on receipt of these details to avoid any delays later.

You can view this letter, and all letters for BHASVIC Residential Trips 2025 on the BHASVIC website -

Kind regards
